20251020 LGOIMA WRC Gamble Report CSDC 105667

I have missed something in this email exchange – what happens with WRC is they normally ring immediately to confirm what I want. In this case I recall a table with Mo's signature but now all I can find is Mo's name as approved and signed off. Anyway comment is how come WRC accept the document and we have it withheld as draft.

Kia ora Ian

Just wanting to confirm that I have received your request, and that I understand it correctly.

You received this copy of the Stormwater management Plan from Thames Coromandel District Council and would like Waikato Regional Council to provide the different copies of the drafts as listed – should we hold copies of those drafted documents.

Is that correct?

Thanks
